****Disinformation Warning**:** Beware "black propaganda", a tactic used to disrupt and discredit our investigation. [Black propaganda](https://en.wikipedia.org/wiki/Black_propaganda) involves statements or actions which are made to appear to come from one side of a conflict, but actually come from the other side, like political ventriloquism. Disinformants, or "shills," anonymously promote intentionally fake evidence and claims, which can then be used to paint our central thesis as false. People familiar with debate can think of it as a "straw man." This is not to say that legitimate researchers do not make mistakes, but to caution all readers that disinformants are actively attempting to disrupt this forum's efforts. ****However, all evidence included in this summary is directly verifiable through embedded weblinks.****

****EXECUTIVE SUMMARY AND EXPLANATION OF PIZZAGATE****

****Introduction****

This investigation was sparked by strange emails leaked from John Podesta's email account, some of which make bizarre references to food. One such email discussed a handkerchief Podesta left behind at a friend's house. The handkerchief was described as having a "map that seems pizza-related." Given the common pedophile code phrase ["cheese pizza"](<https://archive.is/QsLdx>), some readers suspected "pizza-related" may have been a reference to child sex abuse. ****The suspected use of "pizza" as a codeword led us to investigate a pizza restaurant mentioned in one of Podesta's emails, namely Comet Pizza and Ping Pong, owned by an associate of the Podestas. We have found considerable evidence that Comet is a front for child sex trafficking.****

- **Exhibit A: Evidence Pertaining to Comet Pizza and Ping Pong**

As demonstrated in Exhibit D, we have connected owner [James Alefantis](http://twthumbs.washtimes.com/media/image/2016/11/22/James_Alefantis_GQ_c0-7-640-380_s885x516.jpg?7f3880f9901c7d1e0c41d57b33d6f4d35e616946) to accused child trafficker Laura Silsby, who was got off the hook by a fake attorney who was later convicted of sex-trafficking, and who was wanted for sex trafficking in four countries. Alefantis had a statue of [Antinous](<https://archive.is/J3lUH>) as his Instagram profile picture. Antinous was the boy lover of a Roman Emperor, and is considered a symbol of [pederasty](<https://en.wikipedia.org/wiki/Pederasty>). On his "jimmycomet" Instagram account, Alefantis posted a [baby picture](<http://archive.is/DLjk7>) and made [a clear pedophile reference](<http://archive.is/uvDYq>). The brother of Jeffrey B. Smith ("werkinonmahnichtcheese"), who commented on several of the suspect Instagram photos, referred to a friend as ["my favorite pedo"](<http://www.ultraimg.com/image/V7lg>).

Listed first on Comet's website under ["friends of comet"](<http://archive.is/Yogml>) is the band [Heavy Breathing](<http://archive.is/hMfkx>), which performs at Comet. Heavy Breathing leader "Majestic Ape" wears a ski mask and sunglasses, and uses a voice modulator, hiding his or her identity. Majestic Ape joked about pedophile Jared Fogle and said ["we all have our preferences, hee hee hee"]. (https://www.youtube.com/watch?v=vlhBn_zSlro&feature=youtu.be&t=1m23s), bringing laughter from the audience. In another video, Majestic Ape [talks about killing a baby](<https://www.youtube.com/watch?v=9itWsqzFMVo>). Majestic Ape also [referenced pedophilia in a caption on a music video](<http://www.ultraimg.com/image/V7lO>). Heavy Breathing's website features art involving both [children and sex](<http://archive.is/hMfkx>).

An employee of Comet posted many images [portraying pizza in a sexual way.](<http://archive.is/mKH6M>), further fueling our suspicion they are using "pizza" as it is commonly used by pedophiles: a symbol and codeword for sex with minors. [Another example](<http://www.ultraimg.com/image/V7lZ>). An admitted pedophile on a dark-web pedophile forum [acknowledged a trend of pedophiles using pizza parlors as fronts for child sex trafficking]

(<http://www.ultraimg.com/image/V7IU>). Convicted sex offender [Robert L. Robinson](<http://sor.informe.org/cgi-bin/sor/step3.pl?id=4683>), who [raped a 13-year-old girl](<http://sor.informe.org/cgi-bin/sor/step5.pl?id=4683>), had a [Flickr account](<https://archive.li/iJLY1>) with five pages of "favorite" pictures, half of which featured young girls, and the other half of which featured... Comet Pizza and Ping Pong.

Please examine these [symbols](<http://archive.is/vNEnH>) designated by the FBI as pedophile symbols. Besta Pizza, which is [three doors down](<http://www.ultraimg.com/image/V7IF>) from Comet, [had a logo](<http://www.ultraimg.com/image/V7Is>) that is a near-exact match of [the boylover symbol](<http://archive.is/PUWFe>). Another nearby business, Terasol, had a [girl-lover symbol](<http://www.ultraimg.com/image/V7I7>) on their website. No direct connection to Besta or Terasol has yet been uncovered, but the logos seem quite a coincidence. With that in mind, take a look at Comet's logo. It also resembles a [pedophile symbol](<http://archive.is/vNEnH>).

General creepiness seems to surround Comet. Alefantis posted a photo of [a child taped to a ping pong table](<http://www.ultraimg.com/image/pb0R>). He also posted a photo of a [walk-in cooler](<http://archive.is/oRj63>), to which he commented "#murder" and to which Jeffrey B. Smith commented "#killroom." Alefantis also posted a picture of Tony Podesta's [sculpture modeled after a Dahmer victim](<https://archive.is/LIHTn>) and one of "spirit-cooking" queen [Marina Abramovic](<http://www.ultraimg.com/image/V7kW>). Comet had a painting of a man playing ping pong, to which graffiti had been added to show him [ejaculating on the table and wearing a Satanic upside-down cross](<http://www.ultraimg.com/image/V8Li>). Comet had murals of [people with heads cut off](<http://archive.is/uOy6R>), and the artist who painted the murals also painted [adults decapitating children](<http://archive.is/UOnP9>).

Pizzagate researcher Ryan O'Neal posted a [YouTube video in which he claims James Alefantis threatened his life and the lives of his family](<https://www.youtube.com/watch?v=EZQxYQ49p0U&t=3s>) to bully O'Neal into removing a video about Alefantis' "Pegasus Museum" from YouTube. O'Neal showed text messages, which appear to be from Alefantis, bullying him into calling Alefantis. O'Neal claims that when he called, Alefantis immediately began screaming at him and threatening him and his family. O'Neal filed a [police report over the alleged threats](<http://p2c.websterpd.com/QuickResults.aspx?case=17000111>).

- **Exhibit B: Evidence Pertaining to John and Tony Podesta**

John Podesta is the former Chief of Staff to President Bill Clinton, and was the Chair of Hillary Clinton's presidential campaign. Tony Podesta runs The Podesta Group, a major lobbying firm.

The Podestas are associates of James Alefantis, as detailed in Exhibit C. They are also **[good friends](<http://archive.is/8F945>) with known and admitted pedophile, former Republican congressman [Dennis Hastert](<https://archive.is/VJ9Gz>)**. John Podesta received an email suggesting that Hastert should [vanish to an undisclosed Japanese island](<http://archive.is/IHCPI>) after the news of Hastert's pedophilia broke.

Now, let's discuss the specific emails that led to our investigation of Comet. John Podesta received an email from Tam Luzzatto saying that children of ages 11, 9, and 7 will be "in the pool for further entertainment" and stating that the children ["will definitely be in that pool"](<http://archive.is/IgD3I>).

In another email, Podesta was told that he left behind a [black-and-white handkerchief "with a map that seems pizza-related"](<http://archive.is/JJC1o>). A handkerchief with a "pizza-related" map? What the...? Note that in the gay community, handkerchiefs are sometimes used as [code for sexual preferences](<http://archive.is/MfPCc>). It is possible that others have adopted this code as well. Black symbolizes bdsm/domination in this code; some have suggested that white could symbolize pedophilia, due to the association of white with innocence and purity. Furthermore, as discussed previously, "cheese pizza" is a common code phrase meaning "child pornography," so "pizza" could be an adaptation of that.

In another suspiciously cryptic email, a friend complained that Podesta had changed "strategies that have long been in place" and remarked that Podesta sent him "cheese" instead of "pasta," asking if Podesta thought he would do better ["playing dominoes on cheese than on pasta"](<http://archive.is/JBft7>). Why would Podesta regularly send this person pasta, why would there need to be a strategy long in place for doing so, and who plays dominoes on cheese or pasta?

Tony Podesta sent John Podesta an email titled "Last night was fun." The email read simply ["still in the torture chamber"](<http://archive.is/9PcWi>). One could argue this could have been a metaphor, but consider it in light of the fact that Tony Podesta collects art by Biljana Djurdjevic, which references or depicts [extreme physical and sexual abuse of children](<http://archive.is/xyW2L>). He also collects [photos of naked teenagers](<https://archive.fo/vddrO>), and he has a taste for art portraying cannibalism and murder, such as his [headless Arch of Hysteria statue](<http://archive.is/9aq42>) which seems to reproduce [one of Jeffrey Dahmer's decapitated victims](<http://archive.is/tAsqV>). John Podesta also likes artwork portraying cannibalism, such as [this piece is in his office](<http://archive.is/LEKyL>).

(continued in comments)

- **Exhibit C: Alefantis' Connections to the Podestas and Clintons**

James Alefantis himself was deemed one of the [50 most powerful people of Washington D.C](<https://archive.is/f7tAX/56dbfa7c950595f6268da07c508278d2e0aad852.png>) by GQ magazine. He was the [romantic partner](<https://archive.is/WoJJY>) of [David Brock](<http://www.ultraimg.com/image/V7lQ>). David Brock is the [Chief of Media Matters](<http://www.foxnews.com/politics/2012/02/27/media-matters-boss-paid-former-partner-850g-blackmail-settlement.html>), a major instrument of the Democratic Party. Brock is also the founder of Correct the Record, a Super PAC that supported the Clinton campaign.

James Alefantis is seen with Tony Podesta [here](<http://archive.is/FvXp0>) and [here](<http://archive.is/QOZgU>). An email from Alefantis to Tony Podesta, which [Tony Podesta forwarded to John Podesta](<https://archive.is/1mIFy>) had an attached file which was an [image of Hillary's Logo with a pizza slice in it, above a Comet logo](<http://www.ultraimg.com/image/V7k5>). Alefantis also [made desserts for a Clinton campaign event]

(<http://www.ultraimg.com/image/V7kk>). (Notice another photo with Alefantis and Tony Podesta together, and that Alefantis visited the White House on at least five occasions.) Clinton [personally thanked Alefantis] (<http://archive.is/vX6AT>) for cooking for one of her fundraisers. Comet received payments of over \$20k from [American Bridge 21st Century PAC](https://en.wikipedia.org/wiki/American_Bridge_21st_Century), a primary funder of which is billionaire Clinton-backer George Soros. Payments can be seen [here] (<http://docquery.fec.gov/cgi-bin/fecimg/?14960793887>), [here](<http://docquery.fec.gov/cgi-bin/fecimg/?13941306270>), and [here](<http://docquery.fec.gov/cgi-bin/fecimg/?13940775420>).

- **Exhibit D: Additional Evidence Implicating the Clintons Specifically**

NOTE: All previously cited evidence implicates the Clintons, as John Podesta has been their right-hand man, and as James Alefantis is closely associated with the Clinton Campaign and major Democratic Party leaders.

Bill Clinton is known to have flown multiple times on the ["Lolita Express"](<https://archive.is/B6nnX>) of disgraced billionaire pedophile [Jeffery Epstein](<https://archive.is/vVTYC>) to visit Epstein's private "pedophile island," Little St. James. Hillary Clinton also joined him on occasion. Bill Clinton even [ditched the Secret Service to make these trips](<https://archive.is/5o7ZI>) Interestingly, Jeffrey Epstein [claimed to be a co-founder of the Clinton Foundation] (<https://archive.is/PCN83>).

Hillary Clinton was sent [email updates](<https://archive.is/QBV6S>) on the prosecution of Laura Silsby, who was [caught trafficking children in Haiti](<https://archive.is/soUUb>). Laura Silsby was [got off the hook] (<https://archive.is/FQSGK>) by Jorge Puello, who was later [convicted of sex trafficking](<http://archive.is/81dRC>), and was [wanted on charges of sex trafficking](<http://archive.is/Natq5#selection-1987.0-1987.189>) in four countries. [Additional source](<https://archive.is/ZMN5U>). Izette Folger, a [close friend of James Alefantis] (<http://www.ultraimg.com/image/V83t>), gave a statement in support of Silsby. Folger is the [daughter of Michael Maccoby](<https://web.archive.org/web/20070121203755/http://www.maccoby.com/MMaccoby/MMCV.shtml>), who [coaches leaders of Nuestros Pequeños Hermanos](<https://archive.fo/aR7LT>), or NPH, a large organization that runs orphanages all over the world. His son, Max Maccoby, is [on the Boards of Directors of an NPH orphanage called Friends of the Orphans](<https://archive.fo/pJEJh>), which is one of [760 orphanages operating in Haiti] (<https://archive.fo/icdzE>), and [happens to be **the orphanage from which Silsby was caught trafficking children**] (<https://archive.fo/ox7Fa#selection-423.0-425.82>). Max Maccoby [gave an emphatic and lengthy statement of support for Comet](<https://sites.google.com/site/mitalgandhi/ANC3FmtgPart2-COMET.mp3>) during a [contentious neighborhood commission meeting](<https://archive.fo/Blp2o>). The relevant portion of the audio file starts at 31:40.

[Frank Giustra](<https://www.clintonfoundation.org/about/board-directors#FrankGiustra>) owner of the Radcliffe Foundation is on the board of directors for the Clinton Foundation, and is a major Clinton Foundation donor. [The logo of Elpida Home](<http://www.ultraimg.com/image/V7kw>), a refugee center founded by the Radcliffe Foundation, happens to be almost identical to the pedophile [boylover symbol](<http://archive.is/PUWFe>).

Now we must reveal a spark, before Podesta's strange emails, that fueled this investigation.

A purported FBI leaker posted claims on 4chan's "/pol/," an anonymous political forum. Admittedly, the forum he chose is not exactly reputable. However, this fits with his claim that he wanted to surround himself with noise in order to prevent his FBI superiors from detecting him, and it fits because he knew many in that anti-Clinton audience would take him seriously and investigate, employing what the forum's users call "weaponized autism." The alleged leaker's central claim was that the NYPD and FBI had discovered immensely scandalous information about Hillary Clinton through Anthony Weiner's laptop, but the FBI is not yet acting on the information for reasons we will not discuss here. For our purposes, the relevant allegation is this: The purported leaker alleged that **the Clinton Foundation is a front for human trafficking, including child sex trafficking.** He told us, "Dig deep and you will find it. It's sickening." Well, we've been digging, and we seem to be finding it. Summaries of the leaker's claims can be found here: [Part 1](<https://churchmousec.wordpress.com/2016/11/02/fbi-anon-speaks-part-1/>); [Part 2](<https://churchmousec.wordpress.com/2016/11/03/fbi-anon-speaks-part-2/>); [Part 3] (<https://churchmousec.wordpress.com/2016/11/04/fbi-anon-speaks-part-3/>).

- **Exhibit E: Media Coverup Efforts**

****The same establishment elites who try to control politics also control the mainstream media (this includes Fox News). They do not want corruption of this magnitude to be exposed.**** As soon as word of Pizzagate went viral, the mainstream media began a coverup campaign. They began denouncing the allegations as "false," "hoax," and "fake news," without directly addressing the evidence.

Prima facie, the media have no basis for labeling an *ongoing investigation*, which is entirely rooted in real evidence, as "fake news." In fact, Pizzagate is not an allegation of a specific, individual crime (e.g. the abuse of a specific child on a specific day and time). Rather, it is an *investigation* into the possibility of certain individuals being involved in certain kinds of criminal activity. Therefore, labeling Pizzagate "false/hoax/fake" is patently absurd and dishonest, especially considering the media's refusal to address the evidence directly.

The Washington D.C. Metro Police Department claimed it investigated Pizzagate and concluded the allegations are false. However, [a response to an FOIA request demonstrated that no investigation was conducted] (<https://www.youtube.com/watch?v=omlQHWrgmd4>). Therefore, the position of the DC Metro Police must be based on (1) the dishonest media coverage of Pizzagate, (2) willful complicity in the coverup, or (3) some combination of both.

****Reddit CEO Steve Huffman banned the Pizzagate research community from Reddit on bogus grounds**, accusing us of engaging in a "witch hunt," even though we only used publicly-available information, and never called for vigilantism or harassment of any kind. While we understand Reddit may have had legitimate concerns of legal action, there is plenty of reason and evidence to believe the decision was politically motivated.**

****[Bot accounts denying Pizzagate](<https://pbs.twimg.com/media/Czii-xIVIAAhqPn.jpg>) have been [discovered on Twitter](<https://i.imgur.com/06333e284f.png>).**** Twitter has also been [suspending accounts of users who discuss Pizzagate](<http://www.ultraimg.com/image/V7ko>), and censoring #Pizzagate from its [list of most tweeted hashtags](<http://www.ultraimg.com/image/V7k1>). Facebook has plans to censor what it deems "fake news."

- ****Exhibit F: Further Supporting Evidence and Historical Precedents****

An Immigration and Customs Enforcement sting operation called "Project Flicker" [caught 5,200 people purchasing child pornography](<https://www.youtube.com/watch?v=D7n316nGhVo&feature=youtu.be>). Of these, [at least 264 were Pentagon employees or Pentagon contractors. Some of them had security clearances at the top-secret level or higher](<http://archive.is/Yyj6o>).

There was a 1994 [Discovery Channel Documentary](<https://www.youtube.com/watch?v=AY-F5JoHoho>) that covered pedophilia rampant in our government, but it was banned and never aired.

Washington Post [reported that sex slavery is a big problem in D.C.] (https://www.washingtonpost.com/opinions/sex-slavery-isnt-just-a-problem-overseas/2016/01/15/bc3acb04-badd-11e5-829c-26ffb874a18d_story.html?utm_term=.c80f9d44978a)

The largest pedophile ring ever discovered was [exposed by the FBI](<https://truthkings.com/days-recovering-weiner-hard-drive-fbi-makes-large-child-sex-trafficking-raid/>) coincidentally after Anthony Weiner's laptop was taken.

Another [pedophile ring exposed in Norway.](<http://www.independent.co.uk/news/world/europe/norway-paedophile-ring-police-arrest-51-men-a7432441.html>)

Some historical precedents include [Margaret Thatcher's coverup of VIP pedophilia in the UK] (<http://archive.is/Awsjh>), the [Dutroux Affair of Belgium](<http://archive.is/06ugh>) and the [Savile scandal in the UK] (<http://archive.is/gEdRB>).

****Comet Pizza**** is a pizza place owned by ****James Alefantis****, who is the former gay boyfriend of ****David Brock****, the CEO of ****Correct The Record****. It has been the venue for dozens of events for the Hillary campaign staff. ****John Podesta**** has had campaign fundraisers there for both Barack Obama and Hillary Clinton. John's brother and business partner ****Tony Podesta**** has his birthday party there every year.

It's also a dive that according to reviews and photos has hidden bathroom doors and creepy murals. The bathrooms in particular have murals exclusively of nude women, as well as a great deal of graffiti relating to sex. Reviews of the restaurant are bizarrely polarized. Websites describing it positively note that there are regularly "unsupervised children running around". Their menu include a pedophilic symbol, as do the signs and decorations of other neighboring businesses.

<https://i.sli.mg/7hr0h9.jpg>

The music acts and the posters promoting same acts are bizarre in their presentation, content, and lyrical focus, but are still promoted as being "for all ages". The overtly sexual content would suggest otherwise.

The same has taken place in reference to videos recorded inside Comet Ping Pong by people that frequent their establishment as well as video referencing Comet Ping Pong positively from the exterior.

While initially not the central focus of the investigation at the onset, Comet Ping Pong is a much more overt and much more disturbing hub of coincidences. Everyone associated with the business is making semi-overt, semi-tongue-in-cheek, and semi-sarcastic inferences towards sex with minors. The artists that work for and with the business also generate nothing but cultish imagery of disembodiment, blood, beheadings, sex, and of course pizza.

Tons of pre-existing evidence of global pedo-ring implicating governments and etc: <http://pastebin.com/Jn2Lfxg4>

James Alefantis' instagram late 11/5/16. by morning of 11/7/16 it was set to private.

We recently found the instagram account of James Alefantis. The contents of it are indescribably bizarre and the contexts of the posts and comment chains are weird. Alefantis does not have any children nor do his closest associates, but the photos seem to be a near constant assortment of different children of a variety of ages, intermingled between posts about gay bars, clubs, photos of common rape drugs, and piles of foreign currency. After it being trawled through for 24 hours it has been set to private. A large set of archived copies can be seen here in the next section. Similarly the instagram and twitter accounts of Comet Ping Pong are being edited selectively. The accounts of the people favoriting and commenting on these posts are equally bizarre in both content, context, and demeanor.

Tony Podesta has a "Huge" vault underneath his house

They are known for purchasing "awkward" works, such as video installations, that many other private collectors will not consider. "It's easy to store them, but difficult to display them," says Podesta. To get round the problem, he and his wife have excavated a huge subterranean vault beneath their house outside Washington - a white space 5m square and 4m high in which it will be possible to show "very complicated video pieces" on all four walls.

One shows a boy seemingly born from a sewing machine. Another finds a young girl knitting her own hair. A third has a naked woman immersed in blood-red liquid.

Folks attending a house tour in the Lake Barcroft neighborhood in Falls Church earlier this year got an eyeful when they walked into a bedroom at the Podesta residence hung with multiple color pictures by **Katy Grannan**, a photographer known for documentary-style pictures of naked teenagers in their parents' suburban homes.

****Comet Ping Pong & "Majestic Ape"****

Podesta e-mails make mention of Comet Ping Pong, "family-friendly" restaurant/venue with ping-pong for kids:

MANAGER OF COMET PING PONG PIZZA IN VIDEO PUBLISHED NOVEMBER 5TH, 2015

"THE SECRET IS IT'S AN EMPOWERMENT, AND EMPOWERMENT BY DEFINITION IS TRUST, SO LIKE, I TRUST THAT THE RELATIONSHIP THAT I HAVE WITH THE CUSTOMERS IS THAT THEY UNDERSTAND I LOOK OUT FOR THEM, AND IN RESPONSE, THEY LOOK OUT FOR US"

<https://youtu.be/FXczVfgt7HY?t=1m36s>

Video recorded during Sasha Lord's birthday party at Comet Ping Pong. Individual with the microphone wearing a wig and ski mask is ****Majestic ape****. Words used are very strange, video was deleted within an hour of it being found on youtube and had to be archived and reuploaded. "She" uploaded it a second time (as unlisted) and after a day or two switched it to private. Any remaining copies on youtube are reuploads and may or may not get taken down with DMCA notices.

<https://vimeo.com/190144149>

Here's Kleinman in the same outfit:

<https://www.indiegogo.com/projects/heavy-breathing-s-release-of-airtight#/>

Backup: <http://archive.is/UQOby>

In the party video, Amanda Kleinman references "secret pizza". This same term comes up in the description of a film about a "private island" that was produced by Jame Alefantis.

On a whim, Eve, a young Swedish traveler, accepts an invitation from Peter to vacation on his family's private island off the coast of New England. As a series of unexpected delays prevent other guests from arriving, Eve discovers that she has little in common with the increasingly erratic Peter. Gradually the idyllic natural beauty of the island gives way and Eve finds herself trapped in a state of surreality punctuated by bizarre visions, dimensional shifting and secret pizza.

http://www.imdb.com/title/tt4169074/plotsummary?ref_=tt_ov_pl

Amanda Kleinman's band "Heavy Breathing" has a music video that references pedophilia. Most of the "Schtick" for her band is intentionally being provocative, weird, and awkward.

Backup: <https://vimeo.com/190587695>

"Get served at Comet Ping Pong, a hipster-heavy pizza parlor in the Upper Northwest with rough concrete walls, bathrooms hidden behind secret panels, and table tennis galore. Thin crust pies from the wood-burning oven are as much of an attraction as the regularly scheduled live bands."

DO NOT look at the following image if you want to sleep anytime soon.

<https://i.sli.mg/MFH99K.jpg>

<https://m.youtube.com/watch?v=-tiu325HYQk>

From the above, Amanda Kleinman might have some familiarity with "***Eli***" and may have been to the one to make his costume. Anything beyond those two things is supposition, but extremely creepy supposition.

****David Brock's "After Party"****

Podesta's invitation to an AFTER party at David Brock home (pic related, was attached in email)

<https://wikileaks.org/podesta-emails/emailid/28538>

David Brock is described as "batshit crazy" by Neera Tanden. His work history also shows temperamental behavior and volatility.

That's exactly what Kimball Stroud did after Sorvino attended a briefing on child trafficking on Capitol Hill with Sens. Ron Wyden (D-Ore.) and John Cornyn (R-Tex.), filmmaker Libby Spears ("Playground") and several survivors of child trafficking."

***PizzaPAC" - JZ Drizin and Pizza Packet**

<https://www.wikileaks.org/podesta-emails/emailid/37543><https://www.wikileaks.org/podesta-emails/emailid/19761>

Podesta e-mail with HRC pizza logo (Design provided by James Alefantis) says to donate to "PizzaPAC.com" registered to one **JZ Drizin**;

There's more on JZ Drizin here:

https://np.reddit.com/r/The_Donald/comments/5bl3ny/more_research_on_comet_ping_pong_and_potential/

Itchie gross is friends with the Drizin family, but I don't believe Joel Zev Drizin has a facebook account.

The person Podesta said to donate the money in the comet ping pong pizza email was @JZDRIZIN. His latest Retweet was from @PIZZAPACKET.

If you type JZDRIZIN into google you will find this link <http://vin.place/vin/jz-drizin.18395059.html>

When searching his number you will get <http://www.tzachlist.com/search/?t=2&location=Florida&page=12>

He goes by **Zev Drizin**, **Zalmi Drizin**, but mostly **Joel Zev Drizin** which explains his twitter handle.

<http://www.breakout.today/the-stories/2016/2/2/sheida> This article mentions Joel Zev Drizin and this lady who worked for him. **Sheida Jafari** worked for pizza packet and in this article it mentions work they did at the burning man occult festival if that's what you want to call it.

<https://burners.me/2016/10/19/breaking-burning-man-in-latest-wikileaks-data-dump/>

Burning man was brought up in Wikileaks as well.

Joel Zev Dizin work experience:

Director at Map Financial Group, Inc., Member at Swanson Gentleman Hart, Inc., Member at Flatbush Patio LLC, Founder/CEO at Merchants For Charity and Founder, Board of Directors at Jewish Community Watch. (I need to find the link)

http://www.collive.com/show_news.rtx?id=13326 3rd picture from bottom is **Itchie Gross** who is the one who was UNFOLLOWED by the **Angel of Love Adoption Agency Inc** TODAY which is extremely suspicious. (follow up on the Angel of love story in a previous post so you understand) Also, Itchie gross is the same guy who DELETED his LinkedIn when someone exposed his jet 4 days ago. THIS IS BEYOND SUSPICIOUS which is why I dug into these people.

****We need to look into these people more.****

Remember, there were wikileaks mentioning to donate to pizzapac owned by the name of JZdrizin who we now know. Also, there were emails to Itchie gross and his wife about hawaii I believe. Feel free to correct anything.

On a side note, I strongly feel the Angels of love adoption story is a big deal which leads me to this...

I saw @Itchiegross follow @AmonMunyanzeza <https://twitter.com/amonmunyanzeza>

which raised a red flag because why is a pizza company following a Pastor? It wouldn't be odd, but after the Angel of Love Adoption Agency Inc for haiti kids account, I had to look into this.

<https://www.linkedin.com/in/amonmunyanzeza> his current employment says Ensicom, Africa Mission Network.

His website on his twitter is inactive- amonmunyanzeza.com

I went to his facebook <https://www.facebook.com/munyanzeza> which brought me to...

****Light Church Rwanda**** - Senior Pastor · Rusororo, Kigali, Rwanda. I serve the people of God at this community church in the outskirts of Kigali-Rwanda.

I then stumbled upon this <https://www.facebook.com/AsanteMinistries>

"It is with deep sadness, but new hope for the children that we must inform you that Asante Ministries International (ASANTE) will cease as a non-profit organization in the next six months."

WHAT LED TO THIS DECISION?

****continued... 3 of 5****

- In January 2015, the ****ASANTE Board**** was informed of allegations of serious misconduct against ****Mr. Amon Munyaneza****, Asante's founder and former executive director.

The allegations were referred to an attorney and an independent professional investigator. The investigation included numerous interviews and an opportunity for Mr. Munyaneza to address the charges against him. The investigation also brought to light similar misconduct by Mr. Munyaneza, in 2009. At the conclusion of the investigation, the ASANTE Board had no choice but to terminate Mr. Munyaneza's employment as executive director and called upon him to relinquish all engagement with the ministry worldwide. He has not done so. Mr. Munyaneza went back to Africa and became the leader of the Africa partners, as Board President of Africa Mission Alliance Rwanda.

- For 18 months, the ASANTE Board has attempted to rebuild relationships with the Africa partners – Africa Mission Alliance Rwanda and Asante Ministries Uganda– to improve communications and program accountability. However, the board was met with little or no cooperation from the African partners, due to Mr. Munyaneza's influence.

I didn't type the the rest of the statement out but the bottom line is the 2 companies pizzapacket followed that I researched are seriously shady which leads me to believe the emails from Podesta insisting to donate to ****Pizzapac**** is something of serious concern.

However, ****Pizza Packet**** is owned by *****Itchie Gross*****; His wife ****Jane Gross**** has comes up several times in the podesta e-mails. A few of her e-mails are referencing trips to Hawaii, based on wording at the same time as John Podesta, his brother Tony, or others linked with the DNC itself.

Most recent tweet is retweet from Pizza Packet, company that sells and delivers nothing but seasoning packets for pizza.

pizzapacket.com is a legit business and there products do get used by many pizza chains. HOWEVER...

Address printed on the products they sell is just: Brooklyn, NY 11215

Searching for Pizza Packet LLC the only address that matches that zip code is: Pizza Packet LLC, PO Box 150084, Brooklyn, NY 11215.

<http://weblink.ibrooklyn.com/food-products-%28manufacturersdistributors%29/pizza-packet-llc-172101>

Checking other chamber of commerce sites we get another address.

<https://www.chamberofcommerce.com/brooklyn-ny/46799237-pizza-spice-packet-llc>

<http://archive.is/GIWyl>

This is a residential address, so that's likely where he lives. However from the podesta e-mails their their previous home address was: 181 East 93rd St. Apt. 2A NYC, NY 10128

Address listed for Pizza Packet on their website goes to a different post office box in Boca Raton, Florida (30 minutes from the Epstein mansion though). Also owns Frapes LLC.

<http://archive.is/EgCwX>

Address listed for a sponsor of a Pizza Packet contest (762 Park Place, NYC, NY);

<https://i.sli.mg/4uH0eR.png>

Streetview of this address shows a business name of "AR medical & Dental Supply Corp and a website address. That domain is inactive, but was crawled by the wayback machine successfully a few times.

<https://web.archive.org/web/20040525172103/http://www.ardentalsupply.com/>

The phone number if googled indicates that the business moved to a new location, and the owner of that business probably failed to remove the awning before relocating, so that lead is a dead end. The ownership of the 762 park place address is currently unknown and cannot be confirmed as legitimately associated with Pizza Packet.

There was a legal battle over ownership of that address.

<http://www.leagle.com/decision/ln%20NYCO%2020150501667/762%20PARK%20PLACE%20REALTY,%20LLC%20v.%20LEHRER>

Currently scheduled for demolition, to be replaced by condominiums.

<http://streeteasy.com/building/762-park-place>

This address is a dead end. It cannot be proven to have any relationship to Mr. Gross.

Richard "Itchie" Gross LinkedIn profile has picture of a commercial jet.

<https://i.sli.mg/5KHjDf.jpg>

Color scheme appears very similar to **Jeffrey Epstein**'s personal 727.

<https://i.sli.mg/Z672Lh.jpg>

Address for "Dr. Itcuie Gross, MD," who does not seem to have an NPI number, goes to 533 Bedford Avenue, Brooklyn, NY; Does not look like a doctor's office; two young children can be seen at the entrance.

<https://i.sli.mg/SWPsrX.jpg>

Twitter Account for "Pizza Packet LLC" is just coordinates in Brooklyn: 40.670534,-73.950061 (794 Lincoln Pl Brooklyn, NY 11216) which I can't find any other information one besides it have 3 apartments.

Angels of Love Deals From Heaven deals with Haitian kids, based in FL; Follows Pizza Packet on Twitter

<http://archive.is/Rn0NZ>

<http://archive.is/LRYGa>

Address: 15592 NE 15th Ave, North Miami Beach FL

Google Maps indicates that it is the only house on the street with all windows barred; Does not look like a business of any sort. But some have noted that this isn't unusual for Miami. Lead is another dead end.

Pizza Packet, though a legitimate company that does deliver an actual product, doesn't seem to have a legitimate business location that can be tied to it. It operates entirely out of two Post Office boxes in two different states. The owner of the company also is posing himself as a doctor in what used to be a medical supply business location, while not having any type of medical license.

It's signed by **Andrew Kline**, and it's running on a revoked entity status.

Andrew Kline's listed address leads back to a palms restaurant, which is in the same building.

Also listed on the report is the following --

Governor: Hammad, Abdel Rahman 5029 Connecticut Ave., N.W., Washington, DC 20008 Is Executing Officer?:
No - This the address of Besta Pizza.

He has also served as legislative adviser to the Restaurant Association of Metropolitan Washington. I have been unable to find any links between Andrew Kline and Comet Ping Pong or the Clinton Foundation aside from proximity.

Politics and Prose

Has a very long history in Washington D.C. It is currently owned by **Bradley Graham** and his wife, **Lissa Muscatine**. Muscatine has been the official speechwriter for **Hillary Clinton** for over 20 years.

Sign out front has a counterclockwise spiral in the ampersand.

This does not match the older logo for the business that is still used for letterhead and advertising.

Viewing images of Alexandra Tydings in which you can see her right arm visibly, she has the same exact tattoo in the same exact spot: <https://archive.fo/IRICH>

Silsby-Gayler became associated with **MyStateUSA** an Idaho corporation based Meridian Idaho in 2010 [30]. MyStateUSA CEO, Claudia Bitner, founder of MySateUSA appointed Silsby-Gayler the CFO and corporate secretary in 2011(30). **MyStateUSA** changed its name to **AlertSense**.

Von Hansen is now the CEO and owner. Hansen announced Silsby-Gayler is, as of, October 2015 the VP of Marketing.

What does MyStateUSA\AlertSense do? According to their own website: "AlertSense offers a highly intuitive mass notification solution that simplifies alert creation & help mobilize and manage the emergency response teams."

They're the contractor that supplies early response cell-based equipment that a few dozen states use for their **AMBER ALERT** systems as well as hazardous weather and emergency preparedness update systems.

The new system was developed by MyStateUSA, a company based in Boise, Idaho that is also involved in a 12-state pilot project with the Federal Emergency Management Agency (FEMA) to coordinate interoperability among

Child Protective Services Investigation Ends After Suspicious Death Of Lead Investigator

<https://archive.fo/mA7TI#selection-1075.0-1185.108>

Former Georgia State Senator, **Nancy Schaefer was an outspoken opponent of Child Protective Services (CPS)**.

Schaefer authored an investigation in which, among other findings, revealed the following: "...the separation of families is growing as a business because local governments have grown accustomed to having taxpayer dollars to balance their ever-expanding budgets.

The Adoption and the Safe Families Act, set in motion by **President Bill Clinton**, offered cash "bonuses" to the states for every child they adopted out of foster care. In order to receive the "adoption incentive bonuses" local child protective services need more children. They must have merchandise (children) that sell and you must have plenty of them so the buyer can choose. Some counties are known to give a \$4,000 bonus for each child adopted and an additional \$2,000 for a "special needs" child. In this document, Schaefer makes it clear that organizations, such as **The Second Mile**, procure their underage victims by making children wards of the State. CPS has unchecked legal authority to remove children, with or without cause. Subsequently, CPS and their partners, the corrupt juvenile court judges can place these children wherever they see fit (e.g. The Franklin House, Boys Town, Elm House, The Second Mile Foundation) where unimaginable horrors take place.

Schaefer and her husband died under very mysterious circumstances at their home in Georgia in March of 2010.

I looked up the property owners on Pakala through the tax assessor's office (someone's paying tax on the property). From the old wifi post, both the property with the concrete pad (577 Pakala) and the wealthy property next door with the building that off-the-book power lines go into (563 Pakala) are both owned by the same organization - ****B P BISHOP TRUST ESTATE**** - the wealthiest charity in the state worth \$10B and has a 10% stake in ****Goldman Sachs****.

In a 3 year period the estate lost an unaccounted for \$241 million and operating costs increased by \$19 million, maybe accounting for the underground construction. This was in the late 90s though, and the WiFi OP said he was doing construction there recently.

...quantity of available financial information about KS/BE (the trust) is amazingly limited. Even the court-appointed master compared his attempts to get information from these trustees to trying to get it from the CIA. He called their excuses "so pathetic as to border on the ludicrous."
